Subject: Vesting Tentative Tract Map No. 50666

Dear So,
Although I understand your request is to receive all the information required for final map review in one submission, we wanted to submit our proposal for meeting the revegetation requirement for your review and approval now, in the hopes that we can obtain approval on this item so that we can timely complete the revegetation process. Please find the proposed area on the attached map. Please let us know if this area will meet the requirements of Resolution No. 2005-62.

Thank you,
